Facials with Dermalogica

Dermalogica's mission is to treat your skin health and that's why we are number one choice of skin care professionals and consumers worldwide.

Why? Because for over 30 years, we have been dedicated to delivering skin health results through education, innovation and professional recommendation.

The following steps can be expected during a dermalogica facial : Consultation, double cleanse, face mapping, exfoliation, extractions, massage, mask and moisturiser. Whilst the mask is on you will receive a scalp massage. Also where applicable Ultrasonic to deep cleanse and aid product penetration to the skin.
